

How to register child in BuddyWo

To register child first we need to register parent in BuddyWo then parent can add child. Email id is common login id for parent and child. The password for parent and child is different. For child the password is unique pattern along with few character and number combination. For parent the password is combination of characters, numbers and special characters. Mother and father can have separate password. Guardian also needs to follow same procedure.

How to register parent/guardian.

1. Click I am child in Register Here option on BuddyWo website.
2. Select father, mother or guardian option.
3. Fill up all required field along with your photograph.
4. Enter mobile OTP for mobile verification and email OTP for email verification.
5. After successful registration you will receive confirmation SMS and Email.

After successful registration of parent and guardian you can add child for BuddyWo network. Following are the steps to add child

1. Login as Father, Mother or Guardian.
2. Click on Add Child option.
3. Fill up all required fields properly with accuracy. Provide proper school name and age.
Add photo of child which will be the profile photo of child.
4. Draw pattern for child login.
5. Provide password.
6. Save the details.
7. After successful registration you will receive a confirmation SMS and Email.

After successful child registration child can login to BuddyWo and enjoy the social networking site specially made for him or her.
